Subject : Request for Extension of Assignment Submission Deadline

Dear Sir ,

I trust this message finds you well. I am writing to formally request a brief extension for the submission of my assignment.

Over the past few days, I have been experiencing health issues, which have significantly affected my ability to complete the assignment within the stipulated deadline. Despite my sincere efforts to keep up with the work, I was unable to devote the necessary attention to it.

I sincerely apologize for the delay and kindly request you to grant me a short extension. I assure you that I will complete and submit the assignment at the earliest. Thank you for your understanding and consideration.

Yours sincerely,
Aishwarya Prasad
